*SD is standard deviation

Items highlighted in grey are those with SD < .50, showing little variance

The response option anchors for each item were 0 = not implemented, 1= partially implemented and 2= fully implemented; for items 1,2,3,4,5,7,8,10,11,12,13,15,16,17,22,24,30,31 the response option anchors were 0= not implemented and 2= implemented.
