

Supplementary Figure Legend:

Supplementary Figure 1. The APC of death, and DALYs of Ischemic Stroke due to active smoking between 1990 and 2021 at the global level.

Supplementary Figure 2. ASMR, and ASDR for ischemic stroke due to active smoking at the Regional level From 1990 to 2021.

Supplementary Figure 3. The national burden of ischemic stroke due to active smoking in 204 countries and territories.

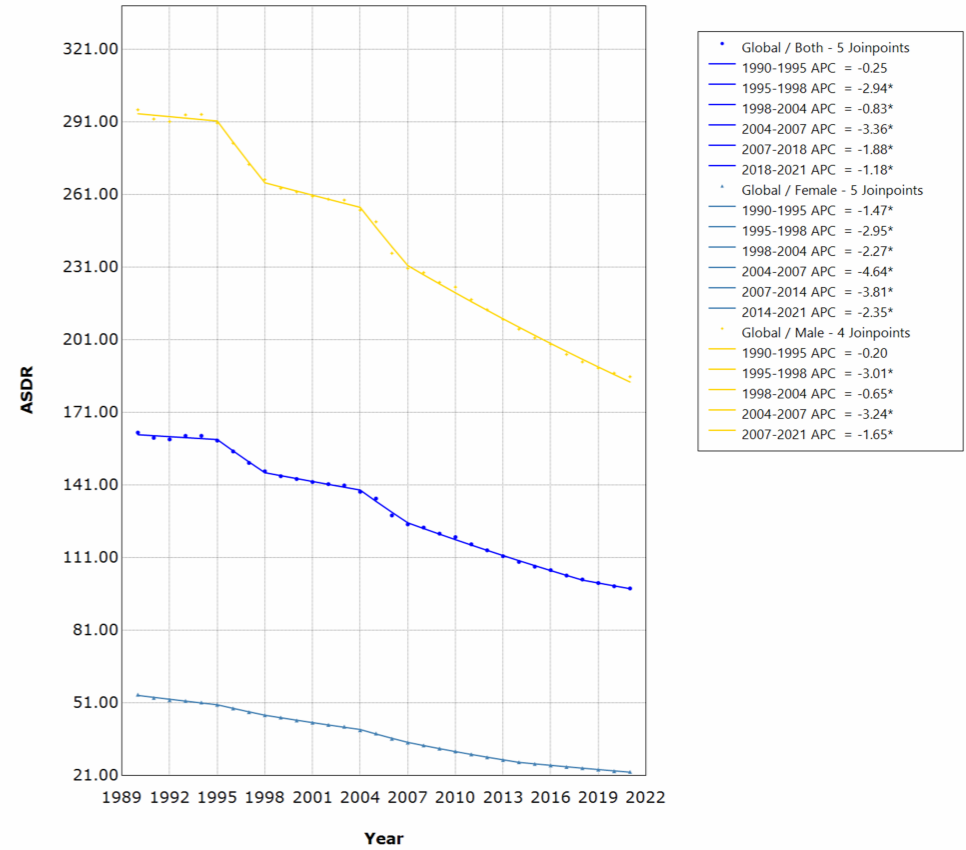

A

APC of ASMR in ischemic stroke due to Active Smoking in Global from 1990 to 2021.

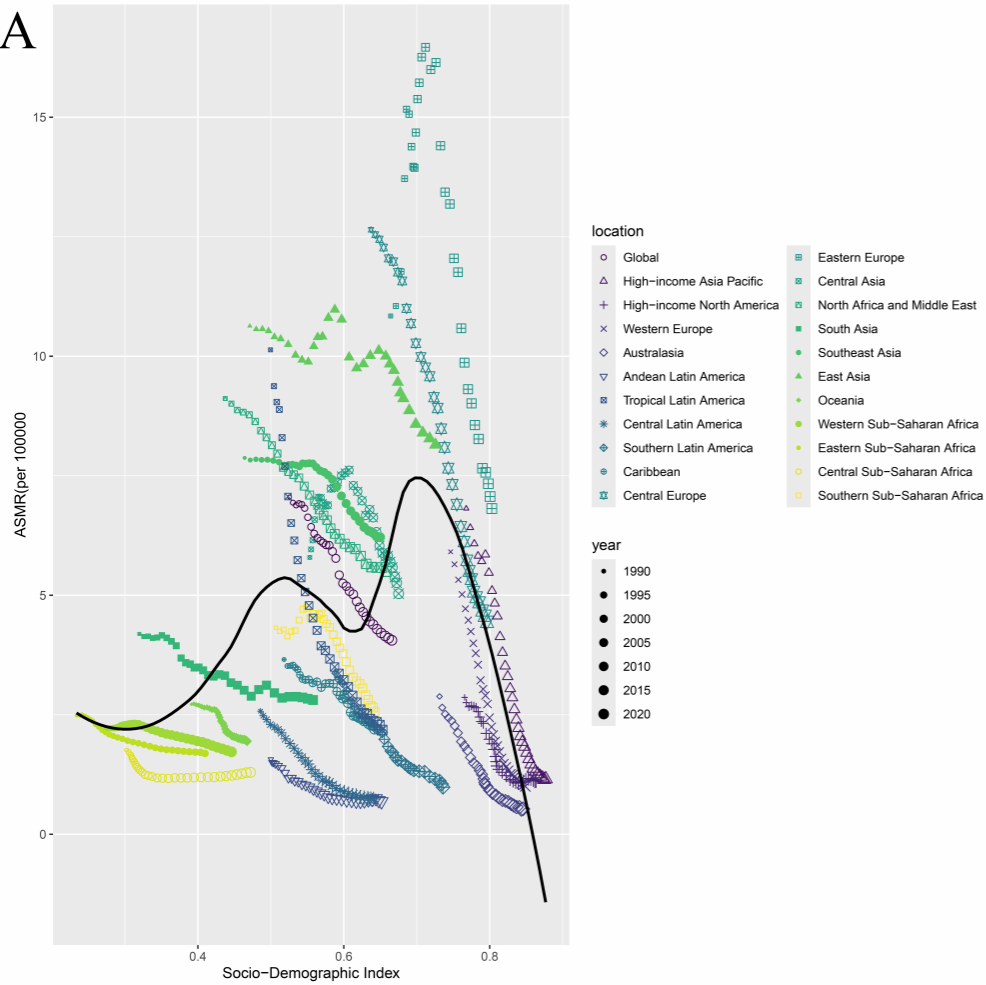

B

APC of ASDR in ischemic stroke due to Active Smoking in Global from 1990 to 2021

Supplementary Figure 1. The APC of death, and DALYs of Ischemic Stroke due to active smoking between 1990 and 2021 at the global level. (A) APC of ASMR in ischemic stroke due to Active Smoking in Global from 1990 to 2021. (B) APC of ASDR in ischemic stroke due to Active Smoking in Global from 1990 to 2021.

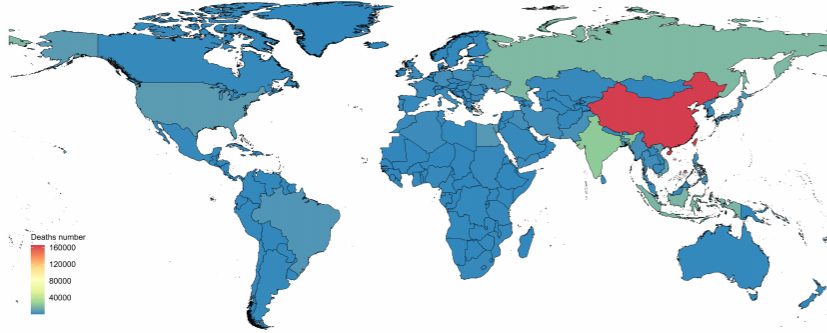

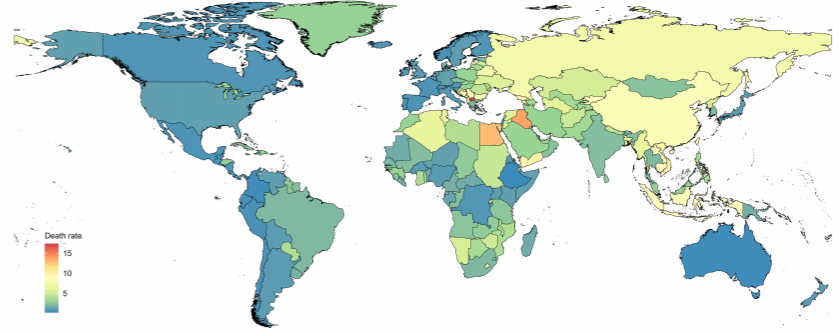

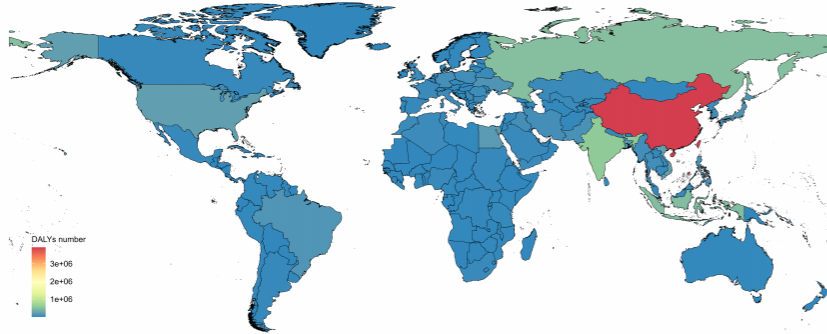

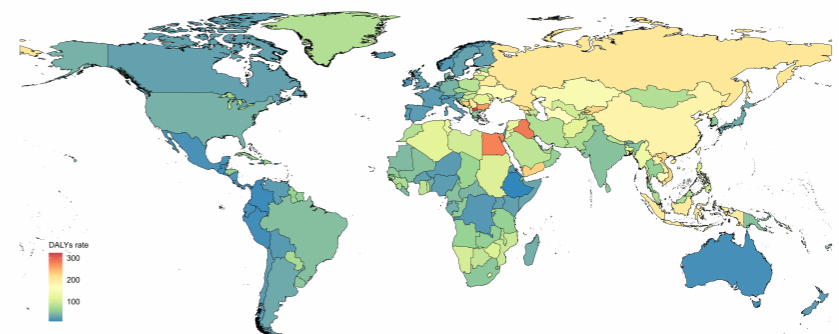

A
